<sup>1</sup> We are grateful to our Editor and four reviewers for their constructive feedback and suggestions. Miguel Cunha dedicates this paper to his dog friend Zero, who departed before this paper was completed. In the absence of his companionship, the paper would not have possibly materialized. This work was funded by (1) National Funds through FCT (Fundação para a Ciência e Tecnologia), under the projects (1.1) Ref. UID/ECO/00124/2013 and (1.2) Ref. UID/GES/00315/2013, and (2) POR Lisboa under the project LISBOA-01-0145-FEDER-007722.
