Erratum to: A three-dimensional skeleton of Goniopholididae from the Late Jurassic of Portugal: implications for the Crocodylomorpha bracing system

E. PUÉRTOLAS-PASCUAL and O. MATEUS

In an earlier version of this article Goniopholididae indet. was incorrectly referred to as Goniopholididae (unidentified) on page 6 [now page 526] and the subheading 'Femur' was omitted on page 11 [now page 531]. These have both now been corrected.
